Hear my baby comin' down the track
Betcha my baby's comin' back
Someday she'll get back to me
We're gonna raise a family

We're gonna groove, Yeah groove
Yeah we're gonna groove

We're gonna love... until the break of day

Sweet as sweet as sweet can be
You don't know whatcha do to me
Let me say you're my one desire
You just set my soul on fire

Oh we're gonna groove, Yeah groove
Yeah we're gonna groove
We gonna love... until the break of day

Sweet as sweet as sweet can be
Lemme tell ya you don't know whatcha do to me
You just set my soul on fire
Woman you know you're my one desire...

We gonna groove... (repeat)
