I've just seen a light,  
Venus vanished time ago.  
I've just seen a star,  
dying in the Orion's sky.

There's no sign,  
no sign of human life and I'm...  
I'm lost in time,  
lost in other dimension.

(Oh, oh... Oh, Oh... Oh... Oh... Oh... liiii....)

I'm the captain,  
of this ship I'm on control.  
Calling Earth,  
awaiting response.  
I'm a Cowboy  
in this electric blue space.  
I'm two billion lightyears  
away from home.

(Oh, oh... Oh, Oh... Oh... Oh... Oh... liiii....)

I'd like to return.  
This mission never ends.  
I remember you,  
like an old sci-fi tale.  
I'm not so bad,  
I keep playing poker with the computer.  
Days are passing,  
no news from the Station.

(Oh, oh... Oh, Oh... Oh... Oh... Oh... liiii....)
