C?mhla rium
A tha thu an-dr?sda
Mo sh?ilean d?inte, mo chuimhne d?n
Nam sheasamh
A' coimhead
Gach cnoc is gach tr?igh
Is an s?ol a dh'fh?g thu ann a' f?s
Tha an g?rradh l?n
Le craobhan treun
Le meas a' f?s dhuinn ann ri bhuain
?bhlan
Abaich
Milis, geur
Ach tha aon ubhal nach ruig sinn idir air

Is c? 'nar
Measg
A mhaireas l?
Seachad air am is air oidhche fh?in
A liuthad uair
A shreap
Mi suas
Airson an ubhal as ?irde chur gu beul

S?ididh gaoth
Is d?arrsaidh grian
Tro mheas nan craobhan lin gu lin
Ach thig an l? is thig an t-?m
Airson an
Ubhal as ?irde
Air a' chraobh a bhuain
