I still hear the snares in the square  
Colours ablaze in the evening  
The air was still  
Down the stormy hill  
It's good to be young and daring

Beat the drum  
Beat the drum  
Like a heartbeat  
Lonely and strong  
Beat the drum

I still see the blood on the knees  
The camans swing without warning  
The lads in white  
At the speed of light  
It's good to be young and daring

Beat the drum  
Beat the drum  
Like a heartbeat  
Lonely and strong  
Beat the drum

Across the bay I still hear the strains  
The two step loud and blaring  
We walked hand in hand  
To the accordion band  
It's good to be young and daring

Beat the drum  
Beat the drum  
Like a heartbeat  
Lonely and strong  
Beat the drum

Beat the drum  
Beat the drum  
Like a heartbeat  
Lonely and strong  
Beat the drum

She was the pride of the summer that year  
She was my sweetheart, my lady  
We walked the black rock  
And we stopped by the loch  
It's good to be young and daring

Beat the drum  
Beat the drum  
Like a heartbeat  
Lonely and strong  
Beat the drum
