You better work (cover girl)
Work it girl (give a twirl)
Do your thing on the runway

Work (supermodel...)
You better work it, girl (...of the world)
Wet your lips and make love to the camera

Work, turn to the left
Work, now turn to the right
Work, sashay shante

It don't matter what you wear
They're checkin' out your savior faire
And it don't matter what you do
Cause everything looks good on you ...supermodel

You better work (cover girl)
Work it girl (give a twirl)
Do your thing on the runway

Work (supermodel...)
You better work it, girl (...of the world)
Wet your lips and make love to the camera

Work, turn to the left
Work, now turn to the right
Work, sashay shante

I see your picture everywhere
A million dollar derriere
And when you walked in to the room
You had everybody's eyes on you ...supermodel

Linda=work mama ! naomi=she is fierce ! christy=foxy
lady out of sight
Cindy=i can feel it ! claudia=sell the garment !
nikki=work the runway, sweetie

I have one thing to say, sashay shante, shante, shante,
shante

I have one thing to say, sashay shante, shante, shante,
shante

I have one thing to say ...you better work, bitch !
