(Original in gÀlisch)

Choirhead mi ri m'chul  
Gun neimh gun truas  
Larach mo chasan mu sgaoil  
'S iad a triall tron an uir  
Gu toiseach 's gu deireadh uair  
'S gu na laithean soilleir buan  
Thairis Air a ghleann

Thainig thu nuas  
Gu fasach truagh  
'S thog thu am faileasbhon a ghleann  
Buidheachas is naire  
An tomhas air gach lamh  
Togaidh sinn do chliu an aird  
Air slighe Dhia

O mollaidh sinn  
An gaol 's an gras  
A thug dhuinn bith  
Cho umhail fo ghrein  
'S i dealradh sios  
Air reultan cein.  
Ãbersetzung (englisch)

BEYOND THE VALLEY  
I looked behind me  
Whithout rancour without pity  
To where my footprints were scattered  
On their journey through the dust  
From the beginning to an end of time  
And to the bright everlasting days  
Beyond the valley  
You came down  
To a barren wilderness  
And you raised the shadow  
From the valley  
Gratitude and shame  
The measure in each hand  
We will proclaim your name in voice  
On Gods way

We will praise  
The love and the grace  
That gave us our existence  
So lowly beneath the sun  
As it poured out ist light  
On alien stars.
