Winter's city side

Cristal bits of snowflakes fall around my head and in  
the wind.

I had no illusions

That I'd ever find the glympse of summer heatwaves in  
your eyes

You did what you did to me

Now it's history I see

Here's my comeback on the road again

Things will happen while they can

I will wait here for my man tonight

It's easy when you're Big in Japan

You're Big in Japan

You're Big in Japan

You're Big in Japan

It's when

You're Big in Japan

Then I'll sleep by your side all through the night

Big in Japan

It's easy to be...

Neon on my skin

Passing silouettes of strange illuminated manequins

Shall I stay here at the zoo?

Should I go and change my point of view for other ugly scenes

You did what you did to me

Now it's history I see

Things will happen while they can

I will wait here for my man tonight

It's easy when you're Big in Japan

You're Big in Japan

You're Big in Japan

You're Big in Japan

It's when

You're Big in Japan

Then I'll sleep by your side all through the night

Big in Japan

It's easy to be...

I feel you'll see they way

Too late, too late... \*scream\*

You're Big in Japan

You're Big in Japan

You're Big in Japan

It's when

You're Big in Japan

Then I'll sleep by your side all through the night

Big in Japan

It's easy to be...

You're Big in Japan

Yeah and I'll sleep by your side all through the night

Big in Japan

It's easy to be...

You're Big in Japan

You're Big in Japan

You're Big in Japan

It's when

Big in Japan
