Don't give me names

You've got it all, took it all from me

Drove me insane

Who'd come down to earth, releasing me

Healing my wounds

so why don't you close the door when you're leaving  
me

now you'll run

running all the way back to me again

I'm not to end in shame

to fight an endless lie

I'm not to play a game

I won't be on your side

(I) found a way

to reach myself again but all I saw was shame

Drive me away

there's something deep in me waiting to escape

you think you know me

so why don't you close the door when you're here with  
me

I'm here to end the game

I'm living in a lie

it's hard to give the same

I won't be on your side

I'm not to end in shame

to fight an endless lie

I'm not to play a game

I won't be on your side

I loved you a lot

to need you a lot

I leave you alone
