Don't give me names  
you've got it all, you took it all away  
Drove me insane  
who'd come down to earth, releasing me  
healing my wounds  
so why don't you close the door  
when you're leaving me  
now you'll run, running all the way back to me again  
it's not to end in shame, to fight an endless love  
i'm not to play a game, i won't be on your side  
i found a way to reach myself again  
but all i saw was a shame  
drive me away there's something deep in me  
waiting to escape  
you think you know me  
so why don't you close the door  
when you're here with me  
i'm here to end the game  
i'm living in lie  
it's hard to give the same  
i won't be on your side

i loved you a lot to need you a lot i leave you alone(2x)

iâ€™m not to end in shame

to fight an endless lie

iâ€™m not to play a game

i wonâ€™t be on your side

i loved you a lot

to need you a lot

i leave you alone (2x)
