O.K. Ready to take off

do it slow

I'm living on the bottom

I got to go

five little fingers

grabbing at the glass

gone, those days

now I'm running

up and down in my cage

Too late to defend, I'm buried - insane

don't you know there's more to life than to win

are you that kind of stereotype?

it's no time, there's no time

there's nothing I could answer

No Speech

as long (as) I get nothing

No Speech

as long (as) I get nothing

but I want to get home

let me free, this is not my home

Put away your

flashing stick

don't try to get closer-

through my head

give me a little

bit more of your own

a little more, don't wanna be

anybody's clown

Too late to defend, I'm buried - insane

don't you know there's more to life than to win

are you that kind of stereotype ?

it's no time, there's no time

there's nothing I could answer

No Speech

as long (as) I get nothing

No Speech

as long (as) I get nothing

but I want to get home

let me free, this is not my home

No Speech

as long (as) I get nothing

No Speech

as long (as) I get nothing

but I want to get home

let me free, this is not my home
