Quietly

Explodes your love

Your insecurity is so soft to me

I can't let you breathe in

We are falling into us

I see you dying in my eyes

Just let it all go

You are left

And so am I

Just let it all go

We leave all inside

Quietly

We arrive

My insecurity is so soft to you

You can't let me breathe in

We are falling into deep

I'm dying in your open mouth

Just let it all go

You are left

So am I

Just let it all go
