Big wheel's rollin', big wheel's rollin', movin' o-on
Big wheel's rollin', gotta keep 'em goin'
Big wheel's rollin', movin' on

The white line is a lifeline to the nation
And men like Will and Sonny make it move
Livin' like a gypsy, always on the go
And doin' what they best know how to do
Jammin' gears has got to be a fever
As men become addicted to the grind
It takes a special breed to be a truck drivin' man
And a steady hand to pull that load behind

Big wheel's rollin', big wheel's rollin', movin' o-on
Big wheel's rollin', gotta keep 'em goin'
Big wheel's rollin', movin' on

All night country music keeps 'em goin'
And Will and Sonny keep on movin' on
A good hot cup of coffee is waitin' up ahead
And the rhythm of the highway hums along
Jammin' gears has got to be a fever
'Cause men become addicted to the grind
It takes a special breed to be a truck drivin' man
And a steady hand to pull that load behind

Big wheel's rollin', big wheel's rollin', movin' o-on
Big wheel's rollin', gotta keep 'em goin'
Big wheel's rollin', movin' on
