Ive never seen a girl
As good as you
Whining on the floor
Like you do
Short dress, brown eyes, high heeled shoes
got me in the mood
Really feeling you
This is my favourite part
Orders and bottles to the bar ?
This Partys about to start
Once we get closer

Well baby whine on me (Oh Oh)
and imma whine on you (oh, Oh)
We dont care who sees (oh oh)
Cause its just us two (oh oh)
All night long
All night long
All night long
Say All night long
All night long girl
Mi wan nuh let yuh go

Got me in a daze
When the DJ plays
When your body moves around in many different ways
Up against the wall
Body all mine
Before the last round
Give me one more whine
This is my favourite part
Orders and bottles to the bar ?
This Partys about to start
Once we get closer

Well baby whine on me (Oh Oh)
and imma whine on you (oh, Oh)
We dont care who sees (oh oh)
Cause its just us two (oh oh)
All night long
All night long

All night long
Say All night long
All night long girl
Mi wan nuh let yuh go

Its almost like we got headphones on
In another zone
People staring at us crazy
like we dont belong up in this party
A hotel room maybe
This is our song
Floor belongs to us when the DJ puts it on
Whining on eachother longer than a marathon
Finishing strong
All night long

Well baby whine on me (Oh Oh)
and imma whine on you (oh, Oh)
We dont care who sees (oh oh)
Cause its just us two (oh oh)
All night long
All night long
All night long
Say All night long
All night long girl
Mi wan nuh let yuh go
