I raise my hand and my lighter
In your memory, yea
I know the days are brighter
Even though your not here wit me
So sad to say goodbye
But i know way up high
In the sky

God needed an angel
To do his work
Yea, Yea
God needed an angel
And took you from this earth
Yea, Yea

I'll fight to keep your memory
Burnin like this flame
And whatever it takes me
I'll carry on your name
We will miss you so
But there's one thing i know
Yea, Yea

God needed an angel
To do his work
Yea, Yea
God needed an angel
And took you from this earth
Yea, Yea

Said everything I do, yea
And everywhere i go
I will remember you, yea
And let the wholle world know

Said everything I do, yea
And everywhere i go
I will remember you, yea
And let the whole world know

God needed an angel
To do his work

Yea, Yea
God needed an angel
And took you from this earth
Yea, Yea

God needed an angel
To do his work
Yea, Yea
God needed an angel
And took you from this earth
Yea, Yea
