M-A-G-N-E-T aye
Stick it on me girl
Magnet to steel

Sexy lady, you're my magnet, I am your steel
Stick your body on me
I know you love to feel
The strength of my attraction
The physical reaction
A love so strong so real
Like a magnet to steel

I'm stuck on you, you're stuck on me
Breathing room. only yeah
May the love that flow for everone to see
Nd we ain't leavin till this club is empty
The way you move your body is like a magnet
Everyone in ah de dance drawn to it
But baby girl I gotta let them know

Sexy lady, you're my magnet, I am your steel
Stick your body on me
I know you love to feel
The strength of my attraction
The physical reaction
A love so strong so real
Like a magnet to steel

Let them talk, let them hate
This is love and they could never seperate
They were always trying to stop us from the gate
But this is something they could never penetrate
You're my girl and I'm your man and
They can't stop that magnet to steel
Opposites attract
And baby girl I gotta let them know

Sexy lady, you're my magnet, I am your steel
Stick your body on me
I know you love to feel
The strength of my attraction
The physical reaction

A love so strong so real
Like a magnet to steel

I promise I'll never leave you
I'll never break your heart
This love is locked with an air tight seal
Cause I'm stuck like glue
We'll never break apart no
Like a magnet to steel

Sexy lady, you're my magnet, I am your steel (2x)
Stick your body on me
I know you love to feel
The strength of my attraction
The physical reaction
A love so strong so real
Like a magnet to steel

Magnet
Steel
Strong
So real
Yeah
