### "No Yellow Heart"

No broken spirit  
No yellow heart  
No shattered image to fall apart  
As the Earth starts to crumble he will fly like a dart  
From the deepest cave  
Through the rocks that tumble  
To the highest mountain  
Where he will be saved  
No lamb to the slaughter  
He's a man unchained  
No broken spirit  
No yellow heart  
No earthly limits, no water mark  
When the fires engulf the jungle  
he will slice through a path  
For the smoke recoils  
And he walks right through the flames  
Onto the troubled seas  
And back again -  
No broken spirit  
No yellow heart  
No shattered image to fall apart  
Control  
No broken spirit - no hidden motives  
No yellow heart - no starving soul  
No shattered image - no tighter order  
To fall apart  
This is control  
The dagger of desire only scratched this man of steel  
God knows if it goes too deep  
It's a three-sided slit that never heals in the heat  
No broken spirit  
No yellow heart  
No shattered image to fall apart  
As the Earth starts to crumble he will fly like a dart  
From the deepest cave  
Through the rocks that tumble  
To the highest mountain  
Where he will be saved  
No lamb to the slaughter  
He's a man unchained

No hidden motive  
No starving soul  
No tighter order  
This is control  
No false attachment to the cunning art  
It looks like suicide to the naked eye  
And I know why  
Control...
