Submitter's comments:Â

There also exists an alternate version of the song with 'Se raspukala Sar Planina' as the title, with more or less the same lyrics apart from that change. Confusingly, another folk song by that name

has no relation to this song.

This is the Macedonian version of this folk song. Since Sar Mountain sits on the borders of Macedonia, Serbia and Montenegro, I'm in no doubt there is a Serbian version of this song.
