Games, changes and fears  
When will they go from here?

When will they stop?  
I believe that faith has brought us here  
And we should be together, babe  
But we're not

I play it off but I'm dreaming of you  
And I keep my cool but I'm feigning

I try to say good-bye and I choke  
I try to walk away and I stumble  
Though I try to hide it, it's clear  
My world crumbles when you are not near  
Good-bye and I choke  
Try to walk away and I stumble  
Though I try to hide it, it's clear  
My world crumbles when you are not near

I may appear to be free  
But I'm just a prisoner of your love  
I may seem alright and smile when you leave  
But my smiles are just a front, just a front

And I play it off but I'm dreaming of you  
I keep my cool but I'm feigning

I try to say good-bye and I choke  
Try to walk away and I stumble  
Though I try to hide it, it's clear  
My world crumbles when you are not near  
Good-bye and I choke  
Try to walk away and I stumble  
Though I try to hide it, it's clear  
My world crumbles when you are not near

Here is my confession  
May I be your possession  
Boy I need your touch  
Your love, kisses, and such  
With all my might I try  
But this I can't deny, deny

I play it off but I'm dreaming of you [but I'm dreaming of you, babe]  
I'll keep my cool but I'm feigning

I try to say good-bye and I choke  
I try to walk away and I stumble  
Though I try to hide it, it's clear  
My world crumbles when you are not near  
Good-bye and I choke  
I try to walk away and I stumble  
Though I try to hide it, it's clear  
My world crumbles when you are not near
