T?k - tak, ne spit' starovinniy godinnik,
Nakrilas' hmarami vtomlena zemlya,
Zgornulas' klubochkom p?d plyushevim nebom
Malen'ka splyacha krasunya moya.
Tiho, tiho rozpochnet'sya kazka,
N?ch nakine na m?sto shifon,
Tebe na pov?tryan?y kul? v?ter,
Nese v bezmejn? kra?nu p?d nazvoyu ?Son?.
P?demo z? mnoyu malen'ka krasunya
Tudi, de kazkoviy v?ter vipryada? sni,
Tihen'ko poskripu? char?vne veretence,
Schob kol'orova kazka snilasya tob?.
Tut koloni trimayut' m?syc',
Z?rkami na kupol neba - letyat' sv?tlyachki,
Tut, m?j zemleyu ? nebom, mr??
Na lancyugah goydayut' p?dv?sn? mosti...
T?k - tak, ne spit' starovinniy zamok,
V dalek? koralov? rifi nesut' tebe... (korabl?)
Sk?nchit'ya son, na zemlyu priyde sv?tanok
Koli kazkoviy c?lunok rozbudit' tebe...
Spi... Spi...
