One Sunday morning
I'm walking down the street
Feeling lonely
The suns beating down an
Then the thought of you comes to my mind

And I can't get you out of my mind
This feeling wont go subside
And it's breaking me
Apart inside
ThatÃs not okay

When the sun
Lights a rainbow
ThatÃs how I know
IÃll be here with you
Holding on to everything
That you told me
Believing that dreams come true

IÃve been telling myself
I donÃt need you anymore
IÃve been living my life
Not like how I use to
Before

So tell me what your afraid of
Are you scared of me moving on
Now tell me who you think you are
Walking around breaking hearts
I donÃt wanna take this no more
No more

Oh oh oh

IÃm gonna speak up
Let my voice be heard
Show the whole world
IÃm not afraid
Living my life
For today and

Forgetting about yesterday
Oh oh

I'm gonna hold my head high
Believe I can touch the sky
Achieve my dreams
As long as I believe
Not gonna be held back
Like I was before
Take a chance now
That's what living life is for

I'm gonna Let my voice be heard X2
