Here comes the tricky day, one to keep an eye on,
jewel,
You can talk in your sleep
Cause I've got better things on my mind.
Life's a peddling role play, in this business sport and
Scam. High rise and on the lam any which way you
can...
Somebody make me an offer.

Falling behind the deadline, quick to point the finger.
Hands full or even tied, everything starting to linger.
So what cha gonna do for me, besides take me for a
ride.

How ya living you old punk everyone knows you lied.
Somebody make me an offer.
So you think I should fall like a tragedy? You better get
To dreams straight before you wake up.

In this game of high and low: you went way to low.
You're
Like a bum with a cup, and you know what I mean. I'm
Going to have the last laugh.
