Oh, wish I had a heart of stone,  
Then it wouldn't hurt so bad.  
Being alone.  
Then, wish that I could build a dam,  
To hold back the tears,  
That flow on and on.

But my heart's not made of stone.  
And my tears, I can't control,  
'Cos my heart's so filled with love for you.

Whoa, wish that I could build a wall,  
All around that heart of stone,  
You couldn't get through.  
Dream, wish I never had a dream,  
Then I couldn't care at all,  
That you never came true.

But I cannot build a wall,  
And my dreams still don't come true.  
'Cos my heart's still filled with love for you.

Wish that I could find a way,  
To live without your love someday,  
Then I wouldn't have to say.

Stone, wish I had a heart of stone,  
Then it wouldn't hurt so bad,  
Being alone.  
Then, I wish I didn't give a damn,  
And hold back the tears that flow on and on.

But my heart's not made of stone.  
And my tears, I can't control,  
'Cos my heart's so filled with love for you.

I wish I had a heart of stone.  
(Wish I had a heart of stone).

Stone (Stone),  
Wish I had a heart of stone.

Oh Stone (Stone),  
I wish I had a heart of stone.

Stone (Stone),  
I Wish I had a heart of stone.

Wish I had a heart of stone.  
(Wish I had a heart of stone).
