For those who are worn with nothing to bring but empty

For those who are weak, for those who can't find the
strength to stand

Lord we know it's for those who can't come on their own
That You've come, You have come for those

For those who are poor

For those who are broken, those who mourn

For those bound by chains with no way to freedom but
for grace

But for grace

If You are for us, who can be against us

Who can be against Your own

If You are with us who can separate us

Who can separate Your own
