There's nothing quite like You  
There's nothing here on the earth  
You've nothing left to prove  
None can compare to Your worth

Okay, all right  
There's more that I am living for  
When I'm Yours

Oh, oh, oh, oh, I wanna lose it all for You  
Oh, oh, oh, oh, if it's the last thing that I do  
Oh, oh, oh, oh, the only thing that really matters now  
I wanna lose it all for You

It'd be the greatest day  
If all the accolades  
Were simply thrown away  
With nothing left to say

Okay, all right  
There is more that I am living for  
When I'm Yours

Oh, oh, oh, oh, I wanna to lose it all for You  
Oh, oh, oh, oh, if it's the last thing that I do  
Oh, oh, oh, oh, the only thing that really matters now  
I wanna lose it all for You

The smartest thing is to give up everything  
Only the foolish ones will hold on, hold on  
But the fight in me wants to cling to everything  
Save the foolish one, I hold on, I hold on

Oh, oh, oh, oh, I wanna to lose it all for You  
Oh, oh, oh, oh, if it's the last thing that I do  
Oh, oh, oh, oh, the only thing that really matters now  
I wanna lose it all for You

Oh, oh, oh, oh, I wanna to lose it all for You  
Oh, oh, oh, oh, if it's the last thing that I do  
Oh, oh, oh, oh, the only thing that really matters now  
I wanna lose it all for You

I wanna lose it all for You  
I wanna lose it all for You  
I wanna lose it all for You
