Another mile down the road
Another mile from our home
At times I feel quite alone
You're Cause You know, cause You know all there is
to know

So hold my heart, as it's breaking apart
And I'll hold Yours in mine

Oh, oh, oh, oh, You're never far away
Oh, oh, oh, oh, You're never far away
Oh, oh, oh, oh, You're never far away
From me

I close my eyes and try to see
See You right in front of me
As if You're only in my dreams
But You are everywhere and in between

You're the moonlight in the dark of my night
And You shine bright so I can see

Oh, oh, oh, oh, You're never far away
Oh, oh, oh, oh, You're never far away
Oh, oh, oh, oh, You're never far away
From me

You catch my tears as they fall
It's like I never left at all
And all the world feels so small
You're Cause right now we are high above it all

So hold me close, don't ever let me go
Tell me what I already know

Oh, oh, oh, oh, You're never far away
Oh, oh, oh, oh, You're never far away
Oh, oh, oh, oh, You're never far away
From me

Oh, oh, oh, oh, You're never far away
Oh, oh, oh, oh, You're never far away

Oh, oh, oh, oh, You're never far away
From me, yeah, from me, yeah
