You compel me  
You convince me  
You are my supply  
You pursue me  
You speak to me  
You hear my reply

There is no name above Yours  
No other one will do  
No other one will do  
There is no name I love more  
Nobody else like You  
Nobody else like You, Jesus

You engage me  
You arrange me  
You call me Your own  
You have found me  
You surround me  
You've made Yourself known

There is no name above Yours  
No other one will do  
No other one will do  
There is no name I love more  
Nobody else like You  
Nobody else like You, Jesus

You were, You are, You always will be  
You are, You are  
You were, You are, You always will be  
You are, You are

There is no name above Yours  
No other one will do  
No other one

There is no name above Yours  
No other one will do  
No other one will do  
There is no name I love more

Nobody else like You  
Nobody else like You, Jesus
