"Right Now"

Closed my eyes, life went by
Where's all the time that I've wasted
Just stood still, spun my wheels
Isn't it time that I faced it
This moment I'm holdin' is all that I've got
I took that for granted but this time I'm not
(CHORUS)

Here's my one chance to hold you
Here's my one chance to love you
Right now, I'm a gonna take it
Right now, right now
I'm gonna hang on to every minute
Drink it up while I'm in it
Right now I'm a gonna live for
Right now, right now
I learned slow but now I know
We only get what we're given
Take my hand, jump on in
We gotta love while we're livin'
So run to me baby, don't hesitate
'Cause maybe tomorrow might be too late
(REPEAT CHORUS)

(REPEAT CHORUS 2X)

Right now
Right now, right now
Right now, right now, yeah
