

Rush Of Fools "Tonight"

Visit "[Tonight](#)" on MotoLyrics.com

I'm so aware of what I deserve
I should be drowning in the Red Sea tonight
But so aware of what You impart
I'm only drowning in Your love tonight
I'm only drowning in Your love

'Cause You give when You should take away
And You take what should have been my pain
And You offer good when I've none in me
You're the only love that makes me complete

You draw me closer than the air
You wipe away all my despair tonight
You pull me out to where You are

Until I'm drowning in Your love tonight
I'm only drowning in Your love

'Cause You give when You should take away
And You take what should have been my pain
And You offer good when I've none in me
You're the only love that makes me complete

Make me complete

'Cause You give when You should take away
And You take what should have been my pain
And You offer good when I've none in me
You're the only love that makes me complete
