You are the sunrise in the east
You are the ocean at our feet
You are the bright and shining star
You are the love thatÃ¢â€Œ™ s in our hearts
And You are Glory, Glory

And all fall, all fall
All fall short of You
And all fall, all fall
All fall short of You, our King, our King, yeah, yeah

You are the thunder in the sky
You are the shelter through the night
You are the wind that shakes the trees
You are the One thatÃ¢â€Œ™ s shaken me
And You are Glory, Glory

And all fall, all fall
All fall short of You
And all fall, all fall
All fall short of You
And all fall, all fall
All fall short of You, our King

Solo Deo Gloria, Gloria
Solo Deo Gloria, Gloria

And all fall, all fall
All fall short of You
And all fall, all fall
All fall short of You

And all fall, all fall
All fall short of You
And all fall, all fall
All fall short of You our

You are Glory, Glory
