

Rush of Fools **"Your Love"**

Visit "[Your Love](#)" on MotoLyrics.com

I'm so far away
From the only place
I know I should be
So find me
And take me

Come and light the day
Come chase away this darkness
And I've been living here so long
And I give up
Come and wash away
Everything I've built between us
And I will sing unending songs of your love

I cannot find rest
I can't catch my breath
From running away
So stop me
And take me

Your love has stolen my heart
Your love has set me apart
Your love is life in my veins
And all my mistakes fade away
So find me
And stop me
And take me
And save me!
