"On The Bound"

All my life is on me now, hail the pages turning
And the futures on the bound, hell dont know my fury
Youre all I need, youre all I need, youre all I need
Youre all I need, youre all I need, youre all I need
Youre all I need - and maybe some faith would
Do me good
I dont know what Im doing, dont know should I
Change my mind, I cant decide, theres too many
Variations to consider
No thing I do dont do no thing but bring me
More to do,
Its true, I do imbue my blue unto myself,
I make it bitter
Baby, lay your head on my lap one more time
Tell me you belong to me
Baby say that its all gonna be alright
I believe that it isnt.
