I tell you how I feel, but you don't care
I say tell me the truth, but you don't dare
You say love is a hell you cannot bear
And I say gimme mine back and then go there for all I
care
I got my feet on the ground and I don't go to sleep to
dream
You got your head in the clouds and you're not at all
what you seem
This mind, this body, and this voice cannot be stifled
by your deviant ways
So don't forget what I told you, don't come around, I
got my own hell to raise

I have never been so insulted in all my life
I could swallow the seas to wash down all this pride
First you run like a fool just to be at my side
And now you run like a fool, but you just run to hide,
and I can't abide

I got my feet on the ground and I don't go to sleep to
dream
You got your head in the clouds and you're not at all
what you seem
This mind, this body, and this voice cannot be stifled
by your deviant ways
So don't forget what I told you, don't come around, I
got my own hell to raise

Don't make it a big deal, don't be so sensitive
We're not playing a game anymore; you don't have to
be so defensive
Don't you plead me your case, don't bother to explain
Don't even show me your face, 'cuz it's a crying shame
Just go back to the rock from under which you came
Take the sorrow you gave and all the stakes you claim
And don't forget the blame

I got my feet on the ground and I don't go to sleep to
dream
You got your head in the clouds and you're not at all

what you seem
This mind, this body, and this voice cannot be stifled
by your deviant ways
So don't forget what I told you, don't come around, I
got my own hell to raise
