Hold on
I'm coming (Hold on)
Hold on
I'm coming

Oh yeah I see you baby
Gotta feel for the jeans you're wearing
Gonna leave the rythm, just a minute
Aint no one here
We don't have to talk about it
I know you'll understand it
You know how to treat a lady
You're the only one here

I know you waited all your life
And finally you're here with me tonight
One hand I've behind my back and steal your breath
away
Come dance with me
Come dance with me baby

Hold on
I'm coming
Hold on
I'm coming
Hold on, Hold on

I know you waited all your life
And finally you're here with me tonight
One hand I've behind my back and steal your breath
away
Come dance with me
Come dance with me baby
(repeat)
