UH OH!

Grimy, nasty, germy, dirty.

UH OH!

Shake it up, up rock ya body  
Make it knock, knock when you partyin'  
Take a break, break in the audience  
Do ya footwork break and stop again.

I'm lookin' sharp, you can't compete with the champ.  
Steady flickin', I'm holdin' done that layaway rack.  
Ay, rhinestones all in they face, gold charms and paper  
chase  
Talk smack from around the way gotta put these  
chickenheads in they place  
I ain't rockin' no stupid, babes, ain't trippin', I juke all  
day  
I grimy, nasty, bogus, turkey, germy, dirty

UH OH! (x2)

Girls be so thirsty, thirsty, fast forward to the end of my  
song  
And say third verse me, verse me whenever I hit the  
block I see  
Tricks try to rehearse me, hearse me  
From manicure sets to silky weaves

They be so grimy, nasty, bogus, turkey, germy, dirty...

UH OH! (x2)
