Everybody is looking for that somebody to love
Don't wanna be lonely just looking for someone to love
Everybody is looking for that somebody to love
Don't wanna be lonely just looking for someone to love

Somebody to love
Somebody to love, love love
Somebody to love
Somebody to love, love love

Everybody is looking for that somebody to love
Don't wanna be lonely just looking for someone to love
Everybody is looking for that somebody to love
Don't wanna be lonely just looking for someone to love

Somebody to love
Somebody to love, love love
Somebody to love
Somebody to love, love love

Everybody is looking for that somebody to love
Don't wanna be lonely just looking for someone to love
Everybody is looking for that somebody to love
Don't wanna be lonely just looking for someone to love
