Well I can hear the noise in the city, but I can't move.  
What is that in the distance, well it's the gateway  
through  
The night's so young, I feel numb.

You get the sickness from the heatwave, the sickness  
of the afraid.  
I get the shakies from the party, oh.  
And I can't find you. (x2)

And if you see them, see them too,  
They wont be far, too far from you.

You get the sickness from the heatwave, the sickness  
of the afraid.  
I get the shakies from the party, oh.  
And I can't find you. (x2)

Well I can hear the noise in the city, but i can't move.  
What is that in the distance, well it's the gateway  
through  
The night's so young, I feel numb.

You get the sickness from the heatwave, the sickness  
of the afraid.  
I get the shakies from the party, oh.  
And I can't find you. (x2)
