Here I go again got a broken heart. this time I'll get
stronger. no grieving till the
break of dawn. aint falling easily no longer ...

Dreams are dreams. will they at last come true. skies
will clear. leaving me bright
and blue. I will raise my glass to my heart and say.
used to tomorrow, not yesterday.

Here's not to dreams that dont come true. here's not to
up was me and you. here's
not to unlay but the day's gone by, into the truth that
lived the lie ...

Dreams are dreams. will they at last come true. skies
will clear. leaving me bright
and blue. I will raise my glass to my heart and say.
used to tomorrow, not yesterday.
Dreams are dreams. will they at last come true. skies
will clear. leaving me bright
and blue. I will raise my glass to my heart and say.
used to tomorrow, not yesterday.

Dreams are dreams. well, they at last come true. skies
will clear. leaving me bright
and blue. I will raise my glass to my heart and say.
used to tomorrow ...

My words are whisper in silence I shout no have more
card can spell it out.
deep down inside, you know I care. there's nothing to
say about the love we share.

Dreams are dreams. will they at last come true. skies
will clear. leaving me bright
and blue. I will raise my glass to my heart and say.
used to tomorrow, not yesterday.
dreams are dreams. will they at last come true. skies
will clear. leaving me bright
and blue. I will raise my glass to my heart and say.
used to tomorrow, not yesterday.

dreams are dreams. will they at last come true. skies
will clear. leaving me bright
and blue. I will raise my glass to my heart and say.
used to tomorrow, not yesterday
