When the moon is up to rise,
And the wind is blowing stronger
The ancient gods awake,
Blessing us all with their grace

Ningishzida, Lord of the serpent roots,
Listen and remember,
Ereshkigal, Queen of the Great Earth, and of what
hides
Below,
Listen and remember

Arise Spirits of the Earth,
And give foundation unto this most Sacred Place
May it become fertile and serve the Great Work,
And the principalities there of

Zi-Zi Mus-Hus-Sig.Gi-Gi-Lul-La-Nefs Gul-Gul! Zalag!

Call to the north!
- Spirits of the Earth
Call to the east!
- Spirits of the air
Call to the south!
- Spirits of great fire
Call to the west!
- Spirits of living water

Now that you all have heard my call,
And Ereshkigal has sent her blessings
Ningishzida came to us
Awaking lust and fertilizing earth again

Call to the north!
- Earth
Call to the east!
- Air
Call to the south!
- Fire
Call to the west!
- Water
