We never took our time doin' anything
But I'll be your steady ground
When you feel like you're gonna break down
Just grab hold of my hand and don't let go
Baby don't let go
I'll be right here when you get home

Slowly I'm feeling that
Surely you're the one for me
Nobody moves me
Quite like you do
I never thought that I could
Love somebody real
And let them love me
So don't let go
Don't let, don't let, don't let
Don't let go

I tried to prove to myself that I didn't need you,
I walked out of the door
Said I can't take no more
But you said "grab a hold of my hand
And don't let go baby don't let go"
You said "I'll be right here when you get home"

Slowly I'm feeling that
Surely you're the one for me
Nobody moves me
Quite like you do
I never thought that I could
Love somebody real
And let them love me
Don't let go
Don't let, don't let, don't let
Don't let go

I know nothin' lasts forever
I don't know where we could be headin'
And sometimes I feel so lost
So don't let go
Don't let go

Slowly I'm feeling that
Surely you're the one for me
Nobody moves me
Quite like you do
I never thought that I could
Love somebody real
And let them love me
Oh, so don't let go
Don't let, don't let, don't let
Don't let go

Don't let, don't let, don't let
Don't let go

Don't let go
