Standing in a crowded room
But you feel all alone
You go through the motions
You just wanna go home

Wait, let's watch the lights go down from my rooftop
baby
Wait, let's get high like we used to

You say you're fine but you don't mean it,
You don't mean it.
You blame yourself but don't believe it,
Don't believe it.
Yell it out so you can hear it, baby,
You're so scared to feel it,
Oh you know I'm there if you need it.

We fall in love with people,
We know we'll lose,
Find a way to run away from everything we choose

Wait, let's walk downtown, get lost like children
Won't you wait just a little longer, cause I've missed
you

You say you're fine but you don't mean it,
You don't mean it.
You blame yourself but don't believe it,
Don't believe it.
Yell it out so you can hear it, baby,
You're so scared to feel it,
Oh you know I'm there if you need it.

Wait, let's watch the lights go down from my rooftop
baby
Wait, let's get high like we used to

You say you're fine but you don't mean it,
You don't mean it.
You blame yourself but don't believe it,
Don't believe it.

Yell it out so you can hear it, baby,
You're so scared to feel it,
Oh you know I'm there if you need it.
