I moved from New York City to Los Angeles  
Made this place my home, found the man I love  
Oh but my future is still uncertain  
I've gotta figure it out,  
But the words don't come out  
So maybe I'll just be a street poet  
Get lost in my love  
Get lost in the meaning of life  
But I can never be satisfied  
I've gotta figure it out  
I still got my doubts

So please don't tell me lies  
Keep me warm at night  
Because the bright lights of the city will fade  
But I wanna shoot, I wanna shoot for the moon  
Oh-ooh, oh-ooh  
I wanna shoot for the moon  
Oh-ooh, oh-ooh  
I wanna shoot for... the moon

Yes I know you've got your own problems  
And it must be hard to be a millionaire's son  
Oh but in time you'll soon forgive me  
But I'll be traveling on  
Cause I still got my songs

So please don't tell me lies  
Keep me warm at night  
Because the bright lights of the city will fade  
But I wanna shoot, I wanna shoot for the moon  
Oh-ooh, oh-ooh  
I wanna shoot for the moon  
Oh-ooh, oh-ooh  
I wanna shoot for the moon  
Oh-ooh, oh-ooh  
I wanna shoot for...

You hold on so tightly to your convictions  
Giving up this fight long before it's lost  
You, you've got no motivation

When everything's handed to you on a silver plate

So please don't tell me lies  
Keep me warm at night  
Because the bright lights of the city will fade  
But I wanna shoot, I wanna shoot,  
I wanna shoot, I wanna shoot for the moon  
Oh-oooh, oh-oooh  
I wanna shoot for the moon  
Oh-oooh, oh-oooh  
I wanna shoot for the moon, oh-oooh
