Everywhere I go I see you in the shadows
Just like a ghost
In and out of my dreams
You live in the lost abandoned stations in my mind
So hard to find

There's people everywhere
Like mannequins I stare
It's like I'm all alone
I'm living in the twilight zone
A silver train comes down the track
And then it fades away
You fade away

Waiting on the 9, oh oh oh
Like a light that never shines, oh oh oh
Waiting on the 9, oh oh oh
Just around the bend about to stop
And then you're here and gone again

Wallow in a thousand yesterdays
Hear a melody that never plays
It rings inside my mind anyway
Reminds me of the simple things we used to do

It's obvious that I'm not here alone
So many other travelers can't get home
They're all searching for a way to ease their pain
Waiting on the same silver train

Waiting on the 9, oh oh oh
Like a light that never shines, oh oh oh
Waiting on the 9, oh oh oh
Its just around the bend about to stop
And then you're here and gone again

Mister Conductor won't you tell me please
How I can back to get back to Avenue C
Mister Conductor won't you please lead me
From these lost abandoned stations in my mind

Oh, waiting on the 9, oh oh oh
Like a light that never shines, oh oh oh
Waiting on the 9, oh oh oh
You're just around the bend about to stop
And then you're here and gone again

Waiting on the 9

Waiting on the 9
The 9, the 9, the 9
Waiting on the...
