Well, the night's begun and you want some fun  
Do you think you're gonna find it, think you're gonna  
Find it  
You got to treat yourself like number one  
Do you need to be reminded, need to be reminded  
It doesn't matter what you do or say  
Just forget the things that you've been told  
We can't do it any other way  
Everybody's got to rock and roll, oh, oh, oh, ooh

Shout it, shout it, shout it out loud  
Shout it, shout it, shout it out loud

If you don't feel good, there's a way you could  
Don't sit there broken hearted, sit there broken  
Hearted  
Call all your friends in the neighborhood  
And get the party started, get the party started

Don't let 'em tell you that there's too much noise  
They're too old to really understand  
You'll still get rowdy with the girls and boys  
'Cause it's time for you to take a stand, yeah, yeah

Shout it, shout it, shout it out loud  
Shout it, shout it, shout it out loud

Shout it, shout it, shout it out loud, you've got to  
Have a party  
Shout it, shout it, shout it out loud, turn it up  
Louder  
Shout it, shout it, shout it out loud, and everybody  
Shout it now  
Shout it, shout it, shout it out loud, oh yeah  
Shout it, shout it, shout it out loud, I hear it  
Gettin' louder  
Shout it, shout it, shout it out loud, and everybody  
Shout it now  
Shout it, shout it, shout it out loud, oh
