Hello baby, it's Apu to whom you are speaking What's
that baby, you are
proposing we have a cookout at the beach then get a
page from the kamasutra to
the sun rising all over the distance Sorry, baby that's
impossible. I wanna a
convenience store and baby you know what's that like
Got to sell the roadmaps.
Got to move that twelve packs, I'm printing out the
tickets for the lottery
Move out all that trail mix (???) make room for the beef
sticks Informing all
that punch (???) this is no library, hey ! Yes, we have
some string cheese. I
have to check those IDs. We running out of half and
half and sweet and low Oh,
would you like some jerky (???) It comes in beef or
turkey. You see what I am
up to, baby I can't go.

I'm working twenty-four hours a day. That don't leave
no time left to play.
We're open twenty-four hours a day. That don't leave
no time left to play, no,
no, no

Heh, if I deserted my forced who will be refilling in a
hundred (???) You ? I
don't think so. I make coffee for the riffraff(???) -
regular and decaff It
downs twelve ounces twenty outs(???) - one for the road,
sir heatlamps dogs and
chitos(???) microwave poritos obey the printed warning
- or it's sure to
explode I'd sit out front of magazines in which the
subject matter's clean
behind the counter there are dirty variety
it would help to make a fuzz I do not make change for
the bus To use the
restroom you must be an employee

I'm working twenty-four hours a day. That don't leave
no time left to play.
We're open twenty-four hours a day. That don't leave
no time left to play, no,
no, no Twenty-four hours a day That don't leave no
time left to play, no, no,
no Twenty-four hours a day That don't leave no time
left to play, no, no, no,
yes, yes, yes

I came to this country from a far away subcontinent
With dreams to make a
fortune to in the movie industry But instead I'm making
squishis (???) in a
checker dressed (???) oh how I wish the camera on the
ceiling wasn't just there
for security

Oh, I feel much better now. I was a little sad there, but
I'm very happy again.
Oh, this is good. Yes I like this. This is my favorit part of
the song. Yes, my
great-grand-dad (???) used to dance to this Used to
work it on out This is a
very funky part now

I'm working twenty-four hours a day. That don't leave
no time left to play.
We're open twenty-four hours a day. That don't leave
no time left to play, no,
no, no Twenty-four hours a day

Hello steady customer OK, lets see. That's one package
of importancy vitamins,
three (teams???) of smokeless tabaco and one box of
honey (???) popcorn
clusters. That would be nothing, because you're carring
a gun. Oh, here we go
again - please Sir, may I ask if you tie me up you use
the nylon robe. It feels
so much softer against my skin than the other time.
Yes, you find it in the
back, between the video games and the non-dairy
creamer.
