As I blindly go my way
Everything will be okay
I believe my destiny
'Cause the warrior lies in me
I'm looking for my way
In everything I'll have my say
For universe is by my side
'Cause I'm the warrior of the light

Since I'm a part of this world
I've been askin' myself
What should be my next move?
Is there someone who knows the truth?
My mother used to say
Think twice before you choose your way
But I believe I've got
My shining star that lights me up

As I blindly go my way
Everything will be okay
I believe my destiny
'Cause the warrior lies in me
I'm looking for my way
In everything I'll have my say
For universe is by my side
'Cause I'm the warrior of the light

Deep inside you and me
There's a treasure that you can't see
Follow the voice of your heart
It leads you down the winding way
No matter what you do
I'll dedicate this song to you
Be like this warrior who
Doesn't fight with a sword
But with a wise word

Those days I was blind
Those days I was wrong
My whole life did not belong
I felt completely lost and down

But deep in my heart
The answer was clear
It's one reason why I'm here
I wanna find my love

As I blindly go my way
Everything will be okay
I believe my destiny
'Cause the warrior lies in me
I'm looking for my way
In everything I'll have my say
For universe is by my side
'Cause I'm the warrior of the light
