I passed on the painted veil
Somerset, some
Other time and love
Weighed without intention

And that caught her eye
If she knew what
I was thinking of
I'm not that hard to find

When I wish of her
I wish her beneath my gaze
And if I drink of her it will
Be all my days

And when she told me
She was a trinket
I forgot to be amazed
I should have been amazed

Sand in the hallway
The glisten of her laugh
I never found it easier
To spend my days

My soul sings
The prowler's nocturne
From deep down
Within this cage

We have too many
Last nights in our lives
Too many desperate hours
Whispering goodbyes

And baby, the earth shook
The last time I heard you cry

Yes, you loved me
Gently caressed my face
Not some little sorcery
Some simple twist of fate

I was hundreds of feet away
I should have been amazed
I should have been amazed

When I wish of her
I wish her beneath my gaze
And if I drink of her it will
Be all my days

But when she told me
She was a trinket
I forgot to be amazed
I should have been amazed
