I passed on the painted veil  
Somerset, some  
Other time and love  
Weighed without intention

And that caught her eye  
If she knew what  
I was thinking of  
I'm not that hard to find

When I wish of her  
I wish her beneath my gaze  
And if I drink of her it will  
Be all my days

And when she told me  
She was a trinket  
I forgot to be amazed  
I should have been amazed

Sand in the hallway  
The glisten of her laugh  
I never found it easier  
To spend my days

My soul sings  
The prowler's nocturne  
From deep down  
Within this cage

We have too many  
Last nights in our lives  
Too many desperate hours  
Whispering goodbyes

And baby, the earth shook  
The last time I heard you cry

Yes, you loved me  
Gently caressed my face  
Not some little sorcery  
Some simple twist of fate

I was hundreds of feet away  
I should have been amazed  
I should have been amazed

When I wish of her  
I wish her beneath my gaze  
And if I drink of her it will  
Be all my days

But when she told me  
She was a trinket  
I forgot to be amazed  
I should have been amazed
