Lately I've been spending some time with these minds  
You know  
Waiting for her  
Another one those sleepless nights you know  
Why won't she write  
I feel lost, out of sight  
I must be out of my mind  
Out of hers  
Out of time

Lately I've been walking around in suspense  
Waiting for her to turn my idea's into sense  
Lately I've been down to the surmise factory  
Why won't she write back to me

And then I've got it today  
She wrote me to say that she's feeling the same  
She hopes I'm okay  
And I've got it today  
All I can say I'm on top of the world  
And I'm falling in love

Oh Lately  
I've been spending more time with those minds again  
Waiting for her and I wonder if she'll ever write again  
Lately it started to seem like an act to me  
Why won't she write back to me

And then I got it today  
She wrote me to say that she's feeling the same  
She hopes I'm okay hey  
I got it today  
All I can say I'm on top of the world  
And I'm falling in love

I've been so silly  
I never really had a reason  
To doubt that she would write

I've been so silly  
My letter was just delayed

I've been oh my out of line

When I been asking why won't she write back to me

And then I've got it today  
She wrote me to say that she's feeling the same  
(She's feeling the same)  
(She hopes I'm okay)

And then I got it today  
(I got it)  
She wrote me to day that she's feeling the same  
(She's feeling the same)  
She hopes I'm okay hey

I got it today  
(I got it)  
All I can say I'm on top of the world  
(I'm falling)  
And I am falling in love  
(In love)

I got it today  
(I got it)  
She wrote me to say that she's feeling the same  
(She's feeling)  
She hopes I'm okay hey

I got it today hey  
(I got it)  
All I can say I'm on top of the world  
(I'm faling)  
And I'm falling in love  
With this girl
