One, Two, Three times-  
I've Claimed this thing called love.  
Four or Five Times  
I've Falling down I've hit the ground  
Six, Seven- Wait  
He's Knocking at my Door  
Eight, Nine, Ten-  
He's telling me that he wants more.  
I'll give him my heart  
Just like I gave it before  
Knowing he'll tear it apart  
cause he don't know what love is  
He wants me just for one night  
knowning that he ain't right-  
But I can't put up a fight-  
cause I've already fallen.

#### Chorus

And I keep on Fallen for the lies he told before tonight  
And I keep on Falling knowing that we just can't get it  
right

And I keep on Falling knowing that he's gonna break  
my heart  
I've Fallen, yea I've Fallen in love  
What a Girl got to do to break this curse of love inside  
of me?  
What a Girl got to do to trade my wants for what I really  
need?  
I ain't insecure its L.O.V.E that keeps haunting me....  
Yea Ive fallen...  
I'll give him my heart  
Just like I gave it before  
Knowing he'll tear it apart  
cause he don't know what love is  
He wants me just for one night  
knowning that he ain't right-  
But I can't put up a fight-  
cause I've already fallen.  
Its the stroke of your touch that has me feenin' so much  
I get lost in your arms-forget you've brought me this  
harm.

I'm calling out your name- you've got me going insane.  
I don't know what to do I'm addicted to you... and I..  
Repeat Chorus
