shayad agar da'em boodi kenaram
ye roz mididam ke dooset nadaram
mikham beram ke ta abad bemoonam
sakhte baraye har domoon, midoonam

fekr nakoni dori o inja nisty
ghalbe man onjast
to tanha nisty
khodam miram
axam vali to ghabe
mishnave harfo vali bi javabe

raftane man shayad ye emtahane
vase shenakhte to too in zamoone
ghosse nakhor
zendegi rang a range
ye vaghtae door shodanam ghashange

moraghebe goldoone atlasi bash
ye vaghtae montazere kasi bash
kasi ke cheshmash yekami rooshane
shayad ye ghadri ham shabihe mane
